Partnership Schools is a trailblazing network of six Pre-K through 8th Grade Catholic schools in Harlem and the South Bronx, touching the lives of over 2,000 students every day. Our schools have served their neighborhoods since 1854.
Our Community

2,037 Students—
Living in some of New York’s most underserved neighborhoods.

Partnership Schools provides an excellent education to some of New York’s most vulnerable students, arming them with the values, knowledge, and skills they need to grow, thrive, and succeed.

Partnership Team—We are nearly 300 dedicated teachers, staff, and school leaders; 23 network staff; and 28 trustees.

95% of Partnership faculty and staff look forward to coming to school every day and agree that our four core values drive everything we do.

“My school allowed me to develop my confidence, to ask for advice and help when I need it, and to work hard at becoming both a good student and a good person. When I graduated, I took with me a belief in myself that if I worked hard, anything and everything was possible.”—Aidan O., Partnership Schools alumnus

Driving Academic Gains for Our Students

Since 2014, we have driven four consecutive years of achievement increases on New York State’s literacy (ELA) and math tests, meaning our schools now boast achievement levels that beat city, state, and charter school averages while also meeting or exceeding the achievement levels of many of the top-performing charter school networks in the state.

Doing more with less

We Spend Efficiently

In 2017–18, over 80% of our $22.1 million annual budget went directly to our six schools.

- $13.4 million—Instructional & school activities
- $ 4.1 million—Administration & development
- $ 3.2 million—Operations & facilities
- $ 1.4 million—Capital

Our Cost to Educate is $9,950 Per Student

New York charter schools spent $21,281 per-student in 2017–18 and New York public schools had the highest per-pupil cost in the country at $26,289. With a 2017–18 per-pupil cost of just $9,950 and competitive academic results, Partnership Schools excels. Every year we raise the gap between what our parents can afford—$2,800—and our cost to educate. In 2017–18, that was $6,450 per student.

Philanthropic Support is Crucial—Our students live in some of New York’s most underserved neighborhoods, including two of the country’s poorest congressional districts.
